Dear Parents,

The Office of the School's Adjudicator has finally published their decision regarding the decision regarding the future of St George's RC High School.

It is very good news for us, **St George's will remain open.**

The implications and repercussions of this decision have not been fully explained as yet, but as parents of pupils at the school I thought you should be amongst the first to be informed of Canon Lindley's decision.

I have enclosed a copy of the message I received today.

No, doubt you will see and hear more information about the decision in the media over the next few days, but could I take this opportunity to thank you for your unstinting support throughout the campaign. Although it has been a long and hard struggle at least we have the satisfaction of knowing that common sense had prevailed.

Yours faithfully,

P J Harte  
Headteacher
